Uncomfortable walking into a room of strangers? Not sure how to break your way into a conversation? Learn easy and simple techniques to network, build powerful relationships, and grow your influence from acclaimed Networking expert - Aggie Kobrin.

Over the past few years Aggie has spoken at numerous conferences and events with a focus on "Power Networking" and how it can change your life. Additionally she has taught classes on 'Networking' for the Learning Annex, at numerous colleges throughout California, and for a variety of companies. Aggie is also Managing Director of the highly successful eWomenNetwork, and a creative entrepreneur who runs a vibrant event planning and management company. She is immersed in the world of independent motivational and transformational films, and has developed an extensive distribution network in South Africa and Australia, with a passion for global consciousness.
