Professional Development Series 2008

# "Power of the Network"

Eileen Circo, Senior Vice President of Commercial Development, Lowe Enterprise's Eastern Region, and a national CREW Network Director, will be visiting the CREW-LA chapter to meet with members and non-members. This is an excellent opportunity to learn how CREW helps its members excel in the commercial real estate industry by providing networking, business development, leadership opportunities and professional education.

Join us for this exciting program and networking event.
