"Lawyers to Leaders"
Presented by Donna Wanser

Donna Wanser has been with Panda Restaurant Group, Inc. ("Panda") since 2000 and is the Vice President of Legal. In addition to assisting with legal counsel on transactional and employment and labor issues, she has been instrumental in bringing Panda's real estate legal services to a heightened level of proficiency as well as expanding the Licensed Practice practice. She currently has a team of 24 including six attorneys and has been an integral part of the Panda Management Team.

Donna briefly worked for Morgan Lewis before taking the exciting leap to Panda. She also worked for LandAmerica/Reliance Insurance for 12 years where she started as Regional Real Estate Manager and later converted over to the legal side where she drafted their company's form leases and affiliated legal documents. She also implemented their standards for their real-estate practice in coordinating their Legal Department, and managed the disposition of their retired locations.

Donna is a graduate from the University of Maryland, holds an MBA in Banking and Finance from Dowling College and a Joint Doctorate from York Law School with a specialization in Real Estate. She is currently a Doctorate student in Organizational Leadership at Pepperdine University.
