California Commercial Property Tax Appeals

“Understanding the Assessor’s Valuation of Property and What Alternatives Owners have in Today’s Market”

A Complete Overview of California Property Tax

- How are property taxes levied?
- How the Assessor determines property value and what to expect...
- Can Proposition 8 offer temporary tax relief, if so what do you need to look for?
- The outlook for tax legislation... will it change in the future?

Susan Orloff, Sr Manager Thomson Reuters Property Tax Los Angeles, will discuss the property tax process in California and the assessor guidelines for valuation in today’s market. Susan has over 20 years experience representing all types of commercial property in tax appeal situations. Her clients include Arden Realty, LBA Realty, BH Properties and The Beverly Hills Hotel. She manages a tax portfolio base with over three billion dollars in value within California. Commercial investors, of all types look to Susan for controlling costs and minimizing their property tax exposure.
