

# CREW-LA Member Only Informational Meet and Greet at the home of Karen Dry!

COMMERCIAL  
REAL  
ESTATE  
WOMEN

## Introduction

Whether you are single, married, with kids or no kids; whether you're focused on your career, yourself or just plain focused, most likely you haven't considered if your integrated financial risk management is current, up-to-date or even exists.

This informational get-together will be an open forum, non-soliciting opportunity for you to discuss your financial goals in your life and how you can achieve them.

## The Facts

Did you know that out of the percentage of women that are widowed, over 86% of them die in poverty? And, over 37% of them have to live with federal aid assistance, far below their living level when their husbands were alive.

The **good news** is that with every 5 years sooner a woman consults with a risk management planner, her financial strength in retirement increases by \$270,000 on average!!
